

# WE WANT YOU

## BECOME A MEMBER IN 2017

As one of the oldest clubs in the VAFA, Caulfield Grammarians Football Club has a long and proud history that spans nearly 100 years. It is the combined effort of all the players, coaches, trainers, administrators, volunteers, parents, and supporters that has made it what it is today.

Caulfield Grammarians Football Club is a vital extension of the Caulfield Grammar School community. The club exists to give all past students, in particular the many hundreds of past players and their families and friends, the chance to keep in contact. Enjoy the games on or off the field, take part in the lunches and other social activities, and help keep our great club at the forefront of past student associations.

This year, please show your support by becoming a sponsor, taking out a membership, bookmarking our website, and/or following the club on Facebook, Instagram and Twitter. As the Club Patrons we are incredibly proud of the strides the club made in 2016 and want to congratulate the whole CGFC community on a successful season. We would like to warmly welcome our first girl's team to CGFC and we are eagerly anticipating what the 2017 season will bring. We look forward to seeing you at our games and events and encourage all to come and be a part of *your fields*.
