

# CGFC need your help!

**BECOME A MEMBER TODAY AND SUPPORT YOUR CLUB**

Caulfield Grammarians Football Club is one of the oldest clubs in the VAFA. It is the combined effort of all the members, players, coaches, trainers, administrators, volunteers, parents, and supporters that has made it what it is today and we are calling on you to help us continue to grow and be the best we can be.

The club's purpose is connection. We aim to give members, past students, past players and their families and friends, the chance to keep in contact. We want you to enjoy the games on or off the field, take part in the lunches and other social activities, and help us grow.

We are calling on you to help us in 2018, and moving forward by becoming a member. With your commitment to our fantastic club you can feel proud as your support contributes to the running of the club and brings the CGFC community together.

We thank you and look forward to seeing you at our games and events this season.
