CGFC WOMEN'S AFL FOOTBALL 2017

With the introduction of a women's league into the AFL and more women involved in the game than ever before, it has never been a better time to get involved with footy.

In 2017 the Victorian Amateur Football Association (VAFA) of which Caulfield Grammarians Football Club (CGFC) is a member, is introducing a women's football competition. CGFC is committed to fielding a women's team in the VAFA women's competition in 2017 and needs your help.

We are proud and passionate about empowering women to be involved across the sporting community having introduced a netball team in 2016 and aim to introduce further teams in 2017.

Whether it's footy or netball, whether you're a seasoned pro or have no experience at all, or just want to get involved, we would love to hear from you.
