# Our foundation

Even before the formation of CGFC in 1920, “Old Boys” teams had participated in matches although they did not play regular fixtures until 1920. As early as 1889 an “Old Boys” team played the students on August 15th. Past versus present students matches were played regularly from 1907 to 1914. There were no further games played until the formation of CGFC in 1920 due to the First World War

In the 50th year of the Club the ultimate prize was achieved, the 1970 A Section premiership winning margin, 2 points against Coburg. John (JA) Wilson was the successful coach and Tony Lester the Captain.

CGFC has won 9 senior premierships and another 8 premierships over the reserves, thirds and under 19 competitions. It’s last senior premiership was in 2011 with the fields getting up over St. Bernards in the Premier B grade grand final with ex AFL player Steve Lawrence as coach. In 2015 and 2016 the Under 19’s went back to back with Grand Final wins against Parkdale on both occasions.
