

# SEASON GUIDE 2016

**Caulfield**  
grammar school

## From the Principal

I am delighted to welcome everyone to the 2016 football season and I especially welcome those students and players who are commencing our football programme for the first time.

Over 400 students choose to play football at Caulfield Grammar School and we are very fortunate to have the skills, commitment, dedication and energy of Mr Barry Rowlings and Mr Darren Lowe together with the Head of Sport Mr Geoff Miles and the Teacher-in-Charge Mr Matthew Sparks and I wish them well for the season to come.

Pre-season training has commenced across both campuses with up to 70 boys from Years 10-12 turning up for these early morning sessions. With the "ASH" Cup and the traditional Term 1 Football camp approaching, the aim is to have the 1stXVIII ready to face Scotch College for Round 1 to be held on Saturday, 16 April (at Scotch College).

One of the highlights of 2015 was the match between Year 12 girls from Caulfield and Wheelers Hill Campuses. The game was played at Wheelers Hill in fantastic spirit, with the Caulfield girls prevailing in a contest played in excellent spirit. Participants and supporters enjoyed the match which has become a significant event on the CGS sporting calendar.

There have also been very strong performances from the cross-campus Year 9 and 10 teams together with the emergence of some very promising young footballers in Year 7 and 8 across both campuses. The future is indeed looking very bright.

I am again looking forward to supporting our football teams throughout 2016 and I also look forward to meeting many parents, students, past students and supporters as we all support our current and past students in the great game of Australian Football. I also wish to acknowledge the work done by our grounds staff to ensure that the ovals are in the best possible condition and also the medical team who look after the players.

A particular highlight for the School football community in 2015 was having both Taylor Duryea (Hawthorn) and Callum Sinclair (West Coast Eagles) playing in the AFL Grand Final. 2015 also saw Tom Phillips (class of 2014) drafted to Collingwood and we wish Tom a successful career at the highest level.

I warmly commend the efforts of the Kellaway Club led by its President John Iozzi for all the work it does to enhance the football program at the School and I would encourage all footballing parents to become involved in this active parent support group.

The School values its relationship with the Caulfield Grammarians Football Club (CGFC) which is the natural football home of boys who wish to continue playing with their mates beyond Year 12. I know that CGFC is focused on building a future for young footballers from both secondary campuses who have completed their schooling.

As we move into the 2016 season I wish everyone all the very best and I know that Caulfield Grammar School will continue to be proudly represented.

Good luck everyone.

*Reverend Andrew P. Syme*

## From the President

The Kellaway Club welcomes you to the 2016 APS Football Season. We extend a particularly warm welcome to those entering their first year in the CGS football program. As in previous

years, each and every boy in the 2016 program will, regardless of talent & skill, participate in an environment designed to bring out their very best performance.

The APS Football Competition exists in an environment of first class coaching & facilities and our focus at Kellaway Club is to ensure both the maximisation of opportunity for every student and the full support of all our teams in their representation of CGS on a weekly basis. A crucial part of achieving our aims is the involvement of parents & families in our activities. We look to foster direct involvement (eg the joining of our committee or volunteering to be a Parent Liaison) or simply via the purchase of Kellaway Club life membership. We keep the CGS football fraternity informed of our activities and progress via Caulfield Connect throughout the year.

The Kellaway Club is most aware of the benefits a strong alumni network and will continue, in conjunction with the Caulfield Grammarians FC, to support and sponsor an organised Pathways programme with the aim of maximising the number of boys continuing to proudly wear the CGS colors in post school life.

Our ultimate measure of success is in ensuring the best possible participation of your son and his teammates as they represent and uphold the pride and tradition of Caulfield Grammar and the treasured lifelong memories that follow.

Hope to see you each Saturday!

*John Iozzi*

## From the Teacher in Charge

On behalf of the Football Department I would like to welcome you all to the 2016 football season.

Football is a great sport for developing fitness and teamwork. At Caulfield Grammar all

boys get the opportunity to develop leadership and foster friendships in their teams across the two senior campuses of the School. Both campuses play as separate entities in Year 7 and 8 before joining together in Year 9 as cross campus teams. This continues all the way through to senior football where the 1st and 2nd XV111 are cross campus teams and other senior teams are campus based.

The Football Department work closely together to provide the best coaching available from both within our teaching staff and beyond the School. Parents are encouraged to become involved on Saturdays in a number of supporting roles that enhance the experience for both players and coaching staff. The Kellaway Club plays a vital link in the chain of communication between the coaching staff and the parent body. Please consider an active involvement in this club to assist the program and help fund supplementary equipment provided to the boys.

The logistics of running such a large program across two campuses has its challenges and we encourage parents to do what you can to support our objectives of encouraging active and fair participation, skill development and enjoyment of the game. We acknowledge that there are differences in the A.P.S system and Club Football. One such difference that often causes a degree of uncertainty among our parents is the rule that parents remain off the field during the breaks in play such as 1/4 time.

I wish all players good luck for the 2016 season.

*Matthew Sparks*

## From the Director of Coaching

Our football program at Caulfield Grammar School welcomes new and current students for the 2016 season.

With strong talent at all levels, we are hoping for a positive year ahead.

My philosophy of coaching at school level is quite simple, enjoyment, participation and improvement of skills.

Coaching is both challenging and rewarding. We endeavor to build strong relationships between coaches, students and their families. We have a loyal and committed coaching panel.

We are very fortunate to have a wonderful parent support group for our football program - The Kellaway Club. They fundraise for pie nights, trophies, football kits etc, giving our teams a professional look. We encourage any parent to become involved in this group. You will be warmly welcomed.

I would like to urge all boys who will be leaving school at the end of 2016, and interested in continuing their football, to get involved with the Caulfield Grammarians Football Club. Encourage your mates to join you. The Club is ably run by Peter Small and coached by Simon Williams.

I hope you all enjoy the 2016 season

*Barry Rowlings*

## From Lukas Webb

Coming from a small country town at the age of 15, Caulfield Grammar was a whole different world for me.

Moving to the boarding house and having to meet a whole new bunch of people was an extremely daunting task, much similar to a year 7 beginning high school all together.

I've always been taught not to take anything for granted but having the Alf Mills as my backyard for three years was something that slipped through the cracks.

Whether it was a rainy Thursday night training session or whether it was a sunny Saturday afternoon stealing victory from any school it was a memory that will be held forever. For it all to take place in my so-called backyard at the time is something I still can't get my head around.

The friendships and bonds that I formed during my time at Caulfield are some that I will cherish, likewise the support that I received and continue to receive from the school community is something I am very grateful for and that I am extremely proud of.

Although I haven't been out of school for long I feel as though all current students involved in the football department at Caulfield should make the most of their short experience and leave everything out on the field because the memories will last a lifetime for both you and your families.

I wish every CGS footballer all the best for the 2016 season.

*Lukas Webb*

## About us

The Kellaway Club was established in 2000 by a group of dedicated parents. The Club's objective then, as it is today, is to assist with the development of Australian Rules Football at the School and to encourage the involvement of parents and friends in the sport.

The Club was named after the Kellaway family in recognition of their contribution to football at the School. Parents Peter and Annette Kellaway were big supporters of football at the School where their three sons Lachlan, Duncan and Andrew attended from the mid 1980's to 1993. The brothers were exceptional footballers with Duncan and Andrew enjoying successful AFL Careers at Richmond whilst Lachie was a dual best and fairest and premiership player under Trevor Barker at Sandringham in the VFL. The Kellaway boys were renowned for their courage, discipline and team spirit.

The Kellaway Club assists the School's Football Department by

- Appointing and supporting a Parent Liaison for each team;
- Funding the acquisition of equipment, resources and coaching;
- Organising team functions, presentations and awards;
- Running fundraising and social activities including barbeques on match days and the Annual President's Breakfast;
- Keeping parents and players updated with School football news via email newsletters and the Kellaway Club page on the Parents Support Group section of Caulfield Online.

The Kellaway Club is also conscious of the need to provide opportunities to graduating students and has established strong ties with the Caulfield Grammarians Football Club.

## How can I be involved with the Kellaway Club?

- Become a member. Life membership costs \$120;
- Join the Committee;
- Volunteer to be a Parent Liaison for your son's team;
- Support for your son's team by offering to help out on match days;
- Attend and assist with fundraising activities such as barbeques and the Annual President's Breakfast;
- Sponsorship or provision of goods and services.

## Kellaway Club Website

The Kellaway Club portal can be found on the Caulfield Connect webpage. The portal will provide up to date details of the Kellaway Club including coming events plus informative and fun football information.

## Coming Events – Keep the following dates free (further details to be advised)

Kellaway Club Junior Footy Clinic planned for Thursday 7th July.

The Annual Kellaway Club President's Breakfast will be held on Saturday 30th July.

Please keep watching Caulfield Connect for more up to date details.

## Parent Liaison

If you are able to provide any assistance or support to the Club, please talk to any of our hard working committee members as below.

One of the key roles of the Kellaway club is to provide each team with a Parent Liaison.

This year approximately 400 students will play in one of our 14 teams and the Parent Liaison

initiative is a key plank in the successful execution of the CGS football program.

The Parent Liaison is of great help to the football program via the encouragement of parental involvement and two way communication between the football department and parents.

In season 2016 Steve Anwerth is our Parent Liaison Co-Ordinator .

Steve's role focuses on:

- Identifying and briefing parents interested in the role of Parent Liaison;
- Disseminating information about the Kellaway Club to the Parent Liaison group re fundraisers, events etc.;
- Encouraging involvement with the Kellaway Club.

We urge all interested parents to consider discussing their potential involvement with Steve who can be contacted via [steve.answerth@bigpond.com](mailto:steve.answerth@bigpond.com) or 0419 852 510.

## 2016 Committee

Phillipa Wass – [cafebruce@hotmail.com](mailto:cafebruce@hotmail.com)

Our meetings are open to members, parents and friends and we welcome your feedback and suggestions.

## Presidents Breakfast

This annual event is the highlight of the calendar for Club members, supporters and their families and friends. Our breakfasts have been extremely popular due largely to our ability to attract first class speakers. In recent years, our guest speakers have included Shane

*Shane Crawford with Stephen Nash*

*KC Committee Members Tony Hanley, Steve Anwerth, Tim Hille & Scott Davidson*

Crawford, Campbell Brown, Danny Frawley and Alistair Clarkson. This year again we are sure to feature another highly engaging sports identity.

### **Kellaway Club Junior Footy Clinic**

During the July holidays the Kellaway Club ran the annual Junior Footy Clinic on the Mills Oval for girls and boys in Years 1 to 6 from Malvern and Wheelers Hill campuses.

AFL footballers and CGS First XVIII players took the youngsters through a range of footy drills and games before the Kellaway Club puts on the obligatory BBQ.

Special thanks to Barry Rowlings and all his helpers for giving up their time to make our Junior Clinic such a success.

The 2016 Kellaway Club Junior Footy Clinic will be held on the Mills Oval on Thursday, 7th July.

## Associated Public Schools Sport

### **Mission Statement**

The mission of APS Sport is to provide a comprehensive and high quality sporting competition for the students of the schools of the Associated Public Schools of Victoria and thereby foster individual and team development for all.

#### **APS Sport aims to:**

Promote health and fitness and inculcate values of teamwork and fair play through participation;

Provide high quality sporting competition commensurate with the age and ability of students;

Provide a safe competition with appropriate facilities;

Foster individual talent, leadership, team spirit and ethical behaviour in all students.

### **Standards of Behaviour**

**Players** are responsible for conforming to the spirit as well as the letter of the rules. Most of us can clearly distinguish between fair play and gamesmanship, or taking advantage of loopholes in the rules. The home captain should extend the normal courtesies of a host to visiting teams.

#### **Spectators:**

Whatever interferes with the orderly conduct of an event, or the comfort and freedom of others to watch and enjoy the event is unacceptable.

Spectators are encouraged to applaud good play by both sides.

There should be no streamers, either in rolls or bunches, banners, bugles, car horns, or other noisy instruments.

There should be no cheerleaders or other exhibitionists.

Areas used by spectators should be left free of litter.

The only people permitted near team gatherings at quarter, half and three quarter times are the Coach, the players and team officials. Parents and other spectators must remain off the oval.

**Coaches** are expected to set the example to others at all times and ensure that the spirit of the game and the essence of the regulations are upheld.

### **General**

The teacher-in-charge of each team is bound to insist that players make the ball their objective. They will not allow such practices as the deliberate annoying or “niggling” of a player by his opponent, especially when the ball is in another section of the ground.

Coaches should not wander onto the field. It is also undesirable that Coaches continually shout directions to their teams, though an occasional “watch your goal”, “pick up your opponent” seems reasonable. Any other comments should be confined to encouragement when students are in close proximity - never to criticising a student.

The “order off” rule shall apply to all age groupings. A player ordered from the field shall return only at the umpire’s instruction. No ordered off player shall be replaced

A 25 metre penalty will be used instead of the 50 metre law.

**Man on the Mark.** There is only one man on the mark; movement or jumping upwards is permissible, provided there is no movement over the mark. There shall be no shouting, whistling, throwing or pretending to throw an object. There shall be no deliberate distraction by other players.

Umpires are to penalise breaches of these regulations with the football penalty.

**Centre Bounce.** The line through the centre circle is not applicable to APS Football.

A team (other than 1st XVIII) shall consist of any number of players who may be used at the discretion of the coach provided that there are not more than 18 players on the field during any playing time.

One runner could be used at all levels, provided that the runner is a student at the School and has a distinguishable jumper (white top) and School tracksuit pants.

No gloves will be worn in APS Football competition.

The boundary line, the goal squares and the centre circle are to be clearly marked with

white lines. Flags must **not** be used to indicate the boundary.

Schools are required to ensure that spectators do not enter the arena during the intervals and keep away from the goals so the goal umpire can move freely.

**Umpires.** There must be no abuse or intimidation of any umpire (central, goal or boundary) by either players or spectators.

**Teams Short of players.** A match should not be cancelled if a team is short of players. There are two options:

a) The team short of players be given some players by the other team to make up equal numbers, or

b) Both teams field the same number of players as the team that is short.

Note, the recommended minimum players to make a game is 14.

**Mercy Rule/Termination Score.** The Mercy rule will be invoked when a team is 10 goals ahead. When one team leads by 10 goals the following strategies will apply:

- a) After a point is scored, restart play at the back of the centre square;
- b) After a goal is scored, restart play with possession in the centre circle.
- c) The coaches should rearrange positions to reduce the dominance of the team.

If the score difference exceeds 15 goals, the game is terminated and teams are mixed up to provide a more even competition for the duration of the match. The Home team must provide bibs for this situation.

### **CGS Standards of Behaviour**

A student's involvement in the sports program is an extension of their involvement in the classroom. As such, the same standards and expectations of behavior apply at both training and sports matches.

In keeping with the overall ethos of both the CGS and APS Sports Program in general, all students are expected to display the utmost sportsmanship at all times, regardless of the result or the action of opposition teams or players.

*Barry Rowlings doing what he does*

It is expected that Caulfield Grammar School students “set the standard” in this area. Students who behave inappropriately at training or in matches may find themselves subject to disciplinary action.

## Uniforms & Match Days

### Jumpers

Long or short sleeved School Football jumpers. T-shirts are not to be worn under short sleeved jumpers.

### Shorts

All Students (except 1st XVIII) must wear white shorts in away games and blue shorts in home Games.

1st XVIII wear blues shorts for home and away games.

Bicycle shorts are not permitted unless the student produces a medical certificate. If worn, they must be skin colour or the same colour as the School shorts.

### Numbers

Jumper numbers are allocated at the start of each year in consultation with the team coach.

### Mouthguards

Wearing of mouthguards is strongly recommended.

### Appointment of Captains

Captains are appointed by coaches on a rotation basis except for Senior Teams where the captains are appointed by the player group.

### Arriving and Leaving Matches

Students must wear either School uniform or School track suit to games. This regulation also applies to students going home after practices.

### Game Duration

For all games other than 1st XVIII, games run for 4 x 20 minutes quarters with no time on. Intervals are 3 minutes at quarter and three quarter time with 12 minutes for half time.

### Sickness on Match Days

In the event of a player who has been selected to play not being able to attend the game for reason of illness, accident etc. he is asked to bring a note to his Campus Head of Sport upon return to school. Parents should also try to contact either the Coach, Team Manager or another member of the team to advise of their child's absence.

*Happy after a win*

## Girls Football

Training kicked off on an unconventional Friday afternoon, testing the girl's commitment to the team from day one. As the team reduced in numbers the training became more intense. Cold, dark, early mornings became a ritual for the team and as game day loomed large these training sessions were instrumental to our performance. Slowly we bonded as a team rather than a group of individuals. It no longer mattered who kicked straight or who could perform the simple yet impossible "bounce" whilst on the run. Instead we adopted some footy slang and learnt some plays from the legendary coaches Ms Adams, Ms Winter and Mr Meredith "Mez". Finally game day arrived at the opposition's home ground. After a very rowdy bus ride, which involved blasting motivational music and battle braiding each other's hair, (a stark contrast to the first boy's bus trip that's for sure), we suited up in our jumpers, boots and mouth guards, a huge change from our usual netball dresses and tennis skirts. Out we ran from the change

rooms, attempting to make a louder roar than the Wheelers team to scare our opponents. After an intimidating/semi-uncoordinated warm-up from each campus, captains were selected and the siren sounded, commencing the game. There were an equal number of girls on the bench as there was on the field, leading to a wicked cheer squad for each team. Each goal meant the competition got fiercer and slowly as Caulfield's goals started to accumulate, a hint of confidence kicked in as we realised we could end up on top. We started to push harder against the unrelenting Wheelers team, utilising every inch of our nervous excitement. Each quarter felt like a lifetime until the final two minutes elapsed and we were doing everything we could to stop Wheelers from scoring before the siren rang and we did it! The siren went and we looked up to the scoreboard; a resounding 56 – 9 victory to Caulfield Campus. An inspirational and well-deserved win by the team!

*Celia Grigg*

## CGS 1st XVIII Season Summary 2015

How do we measure success of a season? 2015 Open Football was a successful season because we exposed close to 50 boys to a passionate and dedicated footy program. They all had individual and team

highs and they all had individual and team lows, and as a result, they are all more experienced and better sportsman both physically and psychologically because of it.

They each have wonderful team memories that can never be erased, playing in a high standard competition with and against elite footballers, on outstanding surfaces, sometimes in front of sizeable crowds. Some of them played first XVIII football for the last 4 years, some 3, some two, some 1 and some 2nd XVIII for 2 years. No matter the level, they were part of the CGS 1st XVIII Open football squad of 2015.

I thank every young man who strived throughout the season – one of the most competitive for places one could experience. Now more than ever, earning a first XVIII football jumper is a mountain to be climbed and there is no shame in not having quite reached that summit. The quality of the 2nd XVIII this year was exceptional – perhaps the strongest ever at CGS. The final 2 wins and the team camaraderie experienced on the last 2 games of the season against Haileybury, reflected just how privileged the boys have been to be part of this group, and how privileged we are to be a part of this special School.

To win/loss ratios in the 1st XVIII – 7 super wins – the best against MGS and HY as they were 2 talented teams with their best squads available. A fantastic victory over Xavier, having been needlessly confronted in the 3rd quarter; tough victories over Geelong Grammar and Wesley and two thrashings of Carey and GC. The Scotch loss was the low point, as we know we had them covered on the day, while we had an equally poor quarter against BGS which blew our

*Harry Witts, Morcom Medalist 2015*

premiership hopes away. We lose to St Kevins in a sensational game at their home ground in round one, where bad luck and mistakes cost us, and in the end this meant we finished 3rd head to head against St Kevins and to Brighton. Still, an outstanding season with regard to win/loss ratio.

What do we learn from BGS and their last 2 seasons of premiership football – total buy in to game plan; everyone plays their role; strength and fitness is vital in order to win clearances and remain in the game until you wear a side down. With 10 games in the season, there is no margin for error, we had 3 or 4 bad quarters out of 40, and that was it.

And yet, with the coaching staff of Friggi, Phillips, Rowlings and Goldberg, (and the health support of Chris Woodman), complemented by the executive support of Mr Sparks and the Heads of Sport, along with the excellent blend of coaches in the junior ranks, there is no doubt that we have implemented an exciting brand of football that every player can buy into.

Mention should be made of several players whose seasons were disrupted because of injury.

Theo Thompson – 4 years of wonderful service and outstanding performance. To see Theo jumping up and down with crutches on the boundary after we beat HY was both a high and low light of my year. What a player and more importantly, what a person.

Chris Diggle – an outstanding year 11 last year and 3 brilliant game this year. Injury robbed us of a super season from an emerging elite talent. Chris came to every game as a stats keeper of the inside 40s, switches and blocks etc. never let us down.

Ash Krakeur – injured in the first game, came back for 2 late season games, then lasted 10 minutes for a total of 2 games for the year. Always stayed involved and was a stats king.

His “luck” will come for CGS in 2016.

Ethan Casey – an emerging talent whose season was cut short by multiple injuries. We will also see him adding to the mix next year.

And finally, I'd like to make mention of Max Healy – injured for the rounds 9 and 10 and available for round 11. Having played 1st XVIII for 17 straight games, Max was then overlooked for the last game of the year. Max took this disappointment “on the chin” and came out to play a fantastic game for the seconds. This is the sign of the selfless, dedicated individual that we want to breed in CGS footy

## **CGS 1st XVIII Season Introduction 2016**

We have begun morning sessions and already seen close to 80 senior footballers across the two campuses. With 18 current year 11 and 12s with 1st XVIII experience, we look forward to a competitive year. Both the 1st XVII and 2nd XVIII (coached by Mr Anthony Phillips), in 2016, are aiming to have highly competitive, exciting and engaging seasons, as we continue to build a stimulating football environment at this School.

Names to look out for include the year 12 contingent of Ashley Krakeur, Will Setterfield, Ed Phillips, Michael Rogers, Jesse Smith, Alex Lowe, Harry Schaffer, Jordan Falloon, Lachlan Gould and Louis Williams. At year 11, we expect big years from Jack Higgins, Lachlan Harris, Angus Styles, Isaac Morrisby, Jackson Hille and several others.

No doubt, many of our senior footballers will be well equipped to take the next level into senior football in the future, whether be in AFL, VFL, suburban football, or, of-course, with the Caulfield Grammarians.

*Darren Lowe*

*Coach, CGS 1st XVIII*

## Lucas Grigg — 1995-2015

In August 2015 the Caulfield Grammar School community lost one of its own, as Lucas Grigg lost his prolonged battle with cancer.

Lucas played football throughout his time at school. Although being one of the shorter players in his teams, he would always be at the bottom of the pack and would not flinch when going up against someone twice his size.

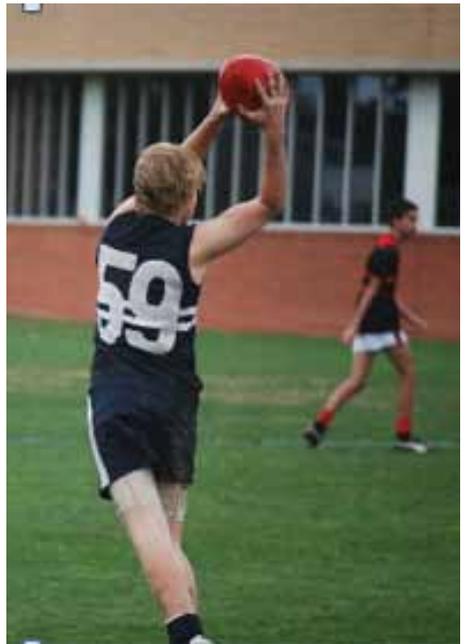

After leaving school in 2013 Lucas continued his football career at CGFC where he became renowned for his forward pressure in the

Under 19s side. He played nearly every game in 2014. Unfortunately, Lucas wasn't able to join us for most of the 2015 season, with his health deteriorating quickly. When we lost Lucas on the 16th of August last year, the CGS football and broader community were deeply saddened. Subsequently hundreds of people packed the Cripps Centre for a celebration of his life. Every game the Under 19s side played throughout our finals campaign, we played with him in our minds, aiming to exhibit half as much courage as he did, wishing that he could've been with us to experience the amazing season it turned out to be.

Griggy you'll always be remembered by CGFC and the wider Caulfield Grammar community.

*Chris Bold, winner of CGFC's Under 19 Lucas Grigg Award for courage*

*(The CGFC Committee resolved to remember Lucas by establishing a new award for the Under 19s – the Lucas Grigg Award for Courage. It was fitting that the inaugural winner of this award was Chris Bold, one of Lucas' best mates.)*

## CGS Year 10A – 2015 Report

The 2015 10A's coached by Mr Greg Meredith enjoyed an outstanding year with one loss (after the siren) following on from 2014 in which they were undefeated. This tight knit group has lost only 2 games in three years. Clearly the boys love playing together and are looking forward to making the next step into senior ranks.

Mr Meredith had this to say about the squad "over the course of the 2015 season five Year 10 footballers regularly played in the 1st XVIII which allowed other players to step in to more senior and central positions. It was a pleasure to watch these players develop and take on leadership roles. We all look forward to watching the group continue to progress with their football".

*Trent Mynott*

**Back Row:** Taine Barlow, Nick Ward-Guy, Henry Boileau, Ryan Matthews, Hayden Dickson, Charlie Glasser, Bailey Troeth, Ford Hoogendoorn, Noah Answerth, Daniel Iozzi, Charlie Thomson, Greg Meredith-Coach

**Middle Row:** Tyler Emrose, Charlie Geason, Charlie Ingham, Ben Bayes-Smith, Ethan Hanley, Lachie Height, Daniel Wigney, Trent Mynott

**Front Row:** Jesse Patrick, Dylan Moore, Lachie Treloar

## Premierships

**Schools Association of Victoria** - 1899

**Schools Amateur Athletic Association of Victoria** - 1911, 1913, 1914, 1915, 1916, 1917, 1918, 1919 & 1920 1921, 1922, 1923, 19+24, 1925, 1926, 1927, 1928, 1929, 1930, 1938, 1939, 1940, 1941, 1943, 1944, 1945, 1946, 1947, 1952, 1953, 1954, 1956, 1957

**Associated Public Schools of Victoria** - 1967, 1989, 2007

*Theo Thompson, Captain CGS 1st XVIII 2015*

## 2016 Fixtures 1st & 2nd XVIII's

<b>Round 1</b>	April 16	Scotch (A)
<b>Round 2</b>	April 30	Carey (H)
<b>Round 3</b>	May 7	Haileybury (A)
<b>Round 4</b>	May 14	St Kevins (H)
<b>Round 5</b>	May 21	Geelong GS (A)
<b>Round 6</b>	May 28	Melbourne (H)
<b>Round 7</b>	June 4	Brighton (A)
<b>Round 8</b>	June 18	Wesley (H)
<b>Round 9</b>	July 16	Xavier (A)
<b>Round 10</b>	July 23	Geelong C (H)
<b>Round 11</b>	July 30	BYE

(Subject to change. For other fixtures please refer to Caulfield Online and the School notice boards)

*First XVIII Assistant Coach Ben Friggi (left) and Senior Coach Darren Lowe*

## Chris Judd

When Chris Judd went down with a career ending knee injury in the match at the MCG against Adelaide last year the whole football world was in shock. As a footballer, Chris was as good as any who came before him. His individual honours included two club best and fairest awards and All Australian selections (2004 and 2006), the 2004 Brownlow Medal and the 2005 Norm Smith Medal, while he captained the Eagles to the 2006 premiership. At Carlton he won three consecutive best and fairest awards (2008-2010), four consecutive All Australian selections (2008-11) and the 2010 Brownlow Medal.

But despite the numerous individual honours Chris recalls the 2006 Premiership as his career highlight describing it as “hands, head and shoulders above the rest.”

Two shoulder reconstructions by the age of 17 limited the number of times he was able to represent the School but he captained the 1st XVIII in 2001, the year he was drafted. In one memorable display that year he kicked 13 goals against Haileybury.

Chris was an outstanding student. He achieved an ENTER score of 96.20 and was renowned as a creative writer. His teachers noted a dry sense of humour and an innate kindness that always wanted to include others.

As good as he was at football, the sport did

not Chris at school or since. Chris attended the school during the years when Stephen Newton was the Principal. When asked to comment on Chris’ time at CGS and the legacy he has left, Stephen wrote “Chris just got on with the job - whether it was in his studies, the range of House and School activities, or particularly in sport. Whatever it was, there was Chris making the most of the opportunity. Importantly though, then as now, Chris let his actions speak for him. In this way he earned and has continued to earn the very great respect of students, past and present, parents and members of staff.”

Chris possesses a strong social conscience and supports many worthy causes and has been a big supporter of CGS. Through his honest endeavours, on and off the football field, Chris has lavished praise on the School and in so doing has become one of it’s most respected and recognised past students. The CGS community wishes Chris and his family the very best for his future honest endeavours.

*Chris Judd at CGS*

## Awards in 2015

	Best & Fairest (Morcom Medal)	2nd Best & Fairest	Kellaway Award	Coach's Award
1sts	Harry Witts	Xavier Jordan	Jess Toniolo	Will Setterfield
2nds	Jack Lewis	Ethan McDonald	Archie Shannon	Aiden Stephens
4ths (WH)	Sam McRae	Harry Goy	Michael Rouskas	
4ths (CC)	Nick Allen	Tom Sherman	Christian Potgeiter	
5ths (CC)	Vincent Cross	Sam Marcolin	Joel Couturier	
10A	Noah Answerth	Trent Mynott	Ethan Hanley	
10B	Hamish McIntyre	Sam McVein	Will Smith	
9A	James McGivern	Jack Ross	Cameron Clark	
9B	Match Allen	Harris Dimopoulos	Aiden Ross	
8A CC	Fischer McAsey	Callum Charlton	Eamon Noonan	
8A WH	Jackson Collins	Luke Balis	Jordan Connell	
7/8 CC	Harry Schindler	Flyn Ellis	Liam Tully	
7A CC	Ryan Pietsch	Jack Ellwood	Campbell Kellaway	
7B WH	Will Phillips	Brandon Wu	Max Lucas	

### Achievements

- Theo Thompson was appointed Captain of the Vic metro squad.
- Jack Higgins, Jackson Hille, Issac Moresby, Angus Styles and Lachy Harris were selected for the Under 16 Vic Metro team and Jack

Higgins won the Most Valuable Player award at the national carnival. Jack was also selected for the AIS Squad.

- Nathan Peterson and Harry Witts were selected in the APS team which comfortably

Most Improved	Most Consistent	Kyle Smale Award	Barry Rowlings Award	CGFC Award	Best Backman
Ed Phillips	Jack Higgins	Nathan Peterson	Michael Rodgers	Finn McEvoy	Louis Williams
				Miles Spielvogel & Max Simpson	

*Jess Toniolo & Harry Witts*

accounted for the AGS team 17–14–116 to 9–5–59.

- Kade Answerth and Tom Phillips were prominent in Oakleigh Chargers' repeat TAC Cup victory with Kade voted best on ground.
- Tom Phillips was drafted to Collingwood as pick no 58.
- Taylor Duryea earned his second successive premiership medallion in Hawthorn's 2015 AFL Grand Final win while Callum Sinclair toiled valiantly for the runners-up West Coast.
- Tom Small 2015 CGFC captain played for Vic Metro against Vic Country as well as representing the VAFA team.

*Xavier Jordan*

*Ed Phillips*

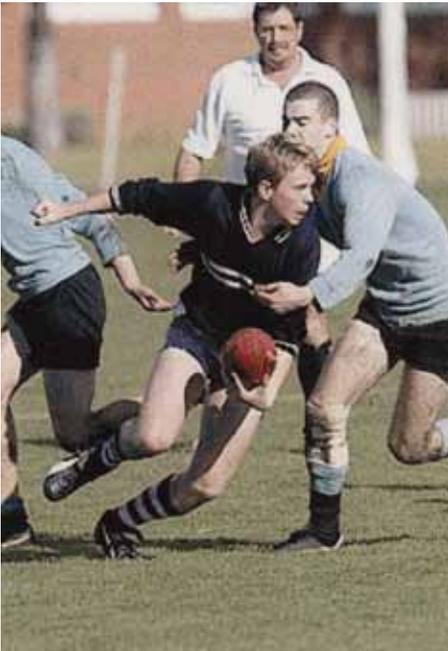

*Louis Williams*

### **Kyle Smale Award**

The Kyle Smale Trophy was struck in 2004 following Kyle's tragic passing in a car accident soon after he finished his final School year at Caulfield Grammar. He was a young man who personified courage and persistence in sport and studies during his time at the School.

The Trophy is presented to the First XVIII footballer who typifies the qualities displayed by Kyle both on the field and in training. A selfless, team oriented attitude is vital for the player who secures the trophy. Perhaps not the best player in the team receives this trophy but he will undoubtedly be one of the first and most important players selected each week.

The CGS First XVIII Captain always wears the number 3 jumper, the same as that worn by Kyle.

*Kyle Smale in action*

### **Recent Draftees yet to debut**

*Tom Phillips, 2015 pick 58, Collingwood*

*Kurt Heatherley, 2013 International Rookie, Hawthorn*

## Caulfield Grammarians and the VFL/AFL

There is a long history of Caulfield Grammarians in the VFL/AFL with over 50 Grammarians having played at the elite level.

Interesting facts include:

- In 2015 three CGS players made their AFL debut being Luke Lowden, Daniel McKenzie and Lukas Webb. For Dan and Lukas it took only one year to make their debuts but Luke's 6 year wait to play at the highest levels is one of football's great stories of persistence. Similarly Callum Sinclair endured a horrendous run of injuries before establishing himself in the West Coast Eagles team culminating in the 2015 AFL Grand Final.
- The player who has played most games is Chris Judd (279) and most goals is also Chris Judd (228) followed by Ron Evans (209) the former Essendon and AFL President. Ron headed the VFL goalkicking list in 1959 and 1960.
- Frank Langley was best on ground in Melbourne's 1900 Premiership. Other premierships players include Les White (Essendon 1912), Dean Anderson (Hawthorn 1989 & 1991) and Chris Judd (Eagles 2006). Taylor Duryea is CGS's latest dual premierships player (Hawthorn 2014 and 2015). Will Taylor and the Hawks achieve the 'three-peat' in 2016?
- Brownlow Medallists have been John Schultz in 1960 and Chris Judd in 2004 and 2010.
- Schultz played 24 games for Victoria (and was an All Australian in 1961). Other players to represent Victoria were Jim Taylor, Lance Wilkinson, Stephen Newport, Dean Anderson, Ron Evans and Duncan Kellaway.
- The first Caulfield Grammarian to play VFL football was Stanley Reid (1896-1897) who played two seasons with Fitzroy before serving in the Boer war where he was killed.

Name	Years	Club(s)	Games	Goals

## CGFC

As we prepare for the 2016 season, it is important to understand who we are and what we are setting out to achieve. A clear motivation for me as President, and also our

elected Committee, is to bring the fun into football.

We also need to create an opportunity for sustained success and to provide the platform for years to come.

We have commenced this process by appointing:

*Josh Homann, Simon Williams, Stuart Wigney*

*Luke Price, Andrew Spittal, Simon Widjaja*

- Simon Williams as Head Coach and Stuart Wigney and Josh Homann as Assistant Coaches;
- Andrew Spittal and Luke Price as Reserves Coaches and Simon Widjaja as Reserves Assistant Coach;
- Josh McCahon as U19 Coach and Greg Meredith as Assistant Coach.

We have expanded our Committee to 11 members to ensure all Club aspects are covered, and have placed particular emphasis on our player welfare. Our trainers, medical staff, physios and rehab experts are critical to keep our players fit and healthy, so that our coaches have the quality players on the field for maximum periods.

We have established five goals for the future:

1. To achieve sustained success on and off the field;
2. To create an environment that supports, nurtures and rewards players, to be the best they can be;
3. To be a Club that we are proud of, and people want to belong to;
4. To have fun;
5. To create a path for CGS members to continue their football (men and women) post their time at school.

It is evident that one of the key aspects we need to expand on is our support-base. We need to enhance its diversity and attract new sponsors. Our existing sponsors have been fantastic: exceptionally loyal and giving. However, to create sustained success, new sponsors need to be found, and new ways to involve people need to be identified. Work is already underway in these areas.

One of the new tools CGFC now has at its disposal is the Electronic Scoreboard, which is installed and operational. This venture will allow the Club to display our sponsors names throughout our home games, in addition to

the more conventional “behind the goals” signage.

With pre-season training well underway, we are all excited about our first home game

*Josh McCahon*

on April 9. It will provide the Club with the opportunity to celebrate our new scoreboard, but as importantly, to unfurl our 2015 Under 19 Premiership Flag.

Kellaway Club President John Iozzi and I have been working hard to create a real ‘pathway’ for school footballers post their school life.

The Under 19 premiership team had several schoolboys in it – what a great way to cement the strong bond between CGFC and CGS.

Barry Rowlings, as our Ambassador, is another critical link in this chain.

Look out for our new website – it will contain all the information you need to know about CGFC, and when the opportunity arises, come down to Glenhuntly Oval and get involved.

*Peter Small, President*

*we make kids smile*

At After School Care we know there are lots of different ways to make kids smile and because children have different interests and stay for different periods of time, we provide a wide range of fun and engaging activities every day, including:

- ★ Outdoor games and sports
- ★ Arts and Crafts
- ★ Playing with friends
- ★ Food and cooking
- ★ Homework and quiet time
- ★ Indoor activities
- ★ An Afternoon snack

To find out more, you can visit us in the After School Care room to meet the team and see the program in action.

## CGFC Under 19 Premiership

As we started the season with four losses, including a 100 point thumping, who would have thought we would surge home to win the Premiership. Riding a wave of emotion throughout the final four weeks of the home and away season, drawing inspiration from our late team mate, Lucas, the determination of the group allowed us to just scrape into the finals by winning six of our last seven games. With a close win against Fitzroy in very slippery conditions in the semi final, and then hard fought 10 goal victory against Old Brighton preliminary final, the Unders stormed into the Grand Final to face the top placed side, Parkdale. The same team who gave us the reality check back in round 1.

On a very windy morning at Trevor Barker Oval, the momentum swayed for most of the day, however the class in the midfield from Harrison Mills, Jesse Toniolo and Tom Smith as well as the defensive pressure from key backs Nick Blaich, Chris Bold and Jerome Stewart, we held Parkdale to limited scoring opportunities when they were kicking with the wind. A very well drilled game plan began rolling and nothing was stopping us.

Key forwards Lachie Topp and Finn McEvoy making the most of their opportunities. Piling on the goals in the third quarter with the wind, allowed us to set up for a massive defensive effort that would see the amount of easy scoring shots for Parkdale very hard to come by. Our run and carry through the middle saw school boys Tom Tonkin and Noah Answerth kick two crucial goals mid way through the last. However it was an inspired move by coach Josh McCahon to move Zach Amos into the ruck, relieving the hard working Smith that perhaps sealed our fate. With a late goal taking the margin out to 24, we knew there couldn't be long left. As that final siren blew, absolute elation swept over the ground as the playing group was swamped by our beloved supporters. Caulfield Grammarians beating Parkdale, 13.14-92 to 8.20-68 with the best on ground medal going to a very deserving Jesse Toniolo.

This amazing effort could not been done without the unwavering support from Coach Josh McCahon and Team Manager David Gregor. On behalf of the boys, we thank you for all your efforts.

## The ASH Cup

Every year since 1979, the CGS 1st XVIII and the CGFC Under 19 teams have played off in a pre-season practice match for the ASH Cup, named after

Rev. Angus Spooner

Holmes ("ASH") who

was Headmaster of CGS from 1977 to 1992 and regarded sport as a vital component in the School's curriculum.

The 2016 ASH Cup was held on April 5th at CGFC's Glenhuntly Oval in balmy conditions on the beautifully manicured surface.

Respective coaches Ben Frigge filling in for Darren Lowe (School) and Josh McCahon (CGFC) were pleased to have a good hit-off leading into the forthcoming first round of APS and VAFA matches.

The match was played competitively and in great spirit as the recent schoolboys took on this year's batch of senior CGS players. The hard fought contest was ultimately won by the School boys whose superior fitness and finishing skills were just too much for the valiant Grammarians.

The post match presentation saw Barry Rowlings and CGFC President Peter Small commend the boys on their efforts and wishing all Caulfield teams a successful season.

The Kellaway Club put on the customary BBQ which was much appreciated by all the players.
